JOSEPH WRIGHT ALSOP, JR.  
AND  
STEWART JERONNOT OLIVER ALSOP

Either or both captioned individuals appear to be identical with the Alsop indicated in material furnished by General Truman.

Background

Joseph Alsop was born October 11, 1910, at Avon, Connecticut, and received an A.B. degree from Harvard University, Cambridge, Massachusetts, in 1932. He was a member of the staff of the New York Herald Tribune in New York, N.Y., and Washington, D.C., in the mid 1930's and was a coauthor of a syndicated column, "The Capital Parade," for the North American Newspaper Alliance from 1937 to 1940. In 1940, he joined the United States Navy, serving later with the American Voluntary Air Force in China, the Lend-Lease Mission in China, and the Fourteenth Air Force until 1945.

Stewart Alsop was born May 17, 1914, in New York, N. Y., and received an A.B. degree from Harvard University in 1935. He served as an editor with the publishing house, Doubleday Doran, New York, N. Y. He served in both the British and United States Armies in World War II.

(100-129412-7; Who's Who in America, 1955-57)

Following the war, Joseph and Stewart Alsop formed a partnership to write a syndicated column, "Matter of Fact," for the New York Herald Tribune.

Unfavorable Information

The Alsops have written numerous columns criticizing FBI policies and practices. Referring to the Alsop column of September 18, 1947, entitled "Palmeritis Again?", the Director noted: "The usual Alsop smear of our efforts. E." The Atomic Energy Commission and the Department of Justice have advised that the Alsops have written numerous columns containing classified information, apparently "leaked" from Government agencies. Several of the alleged "leaks" have been investigated by the Bureau and results given to the Department, but no prosecution has resulted. (100-354477-182, 195)

Other Information

Joseph Alsop was investigated by the Bureau in 1942 as a result of arriving on the SS Gripsholm and in 1943 in an employee investigation, Office of Emergency Management. Results of latter investigation disseminated.
